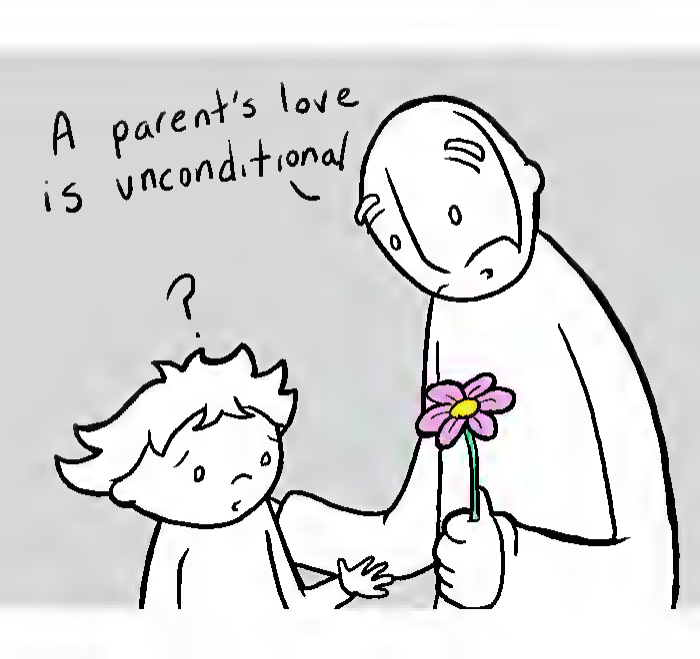
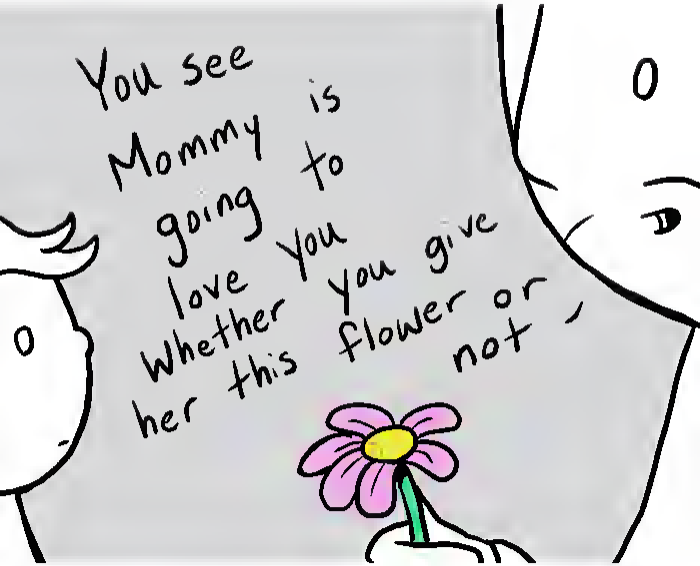
Look! A perfect flower for mommy.

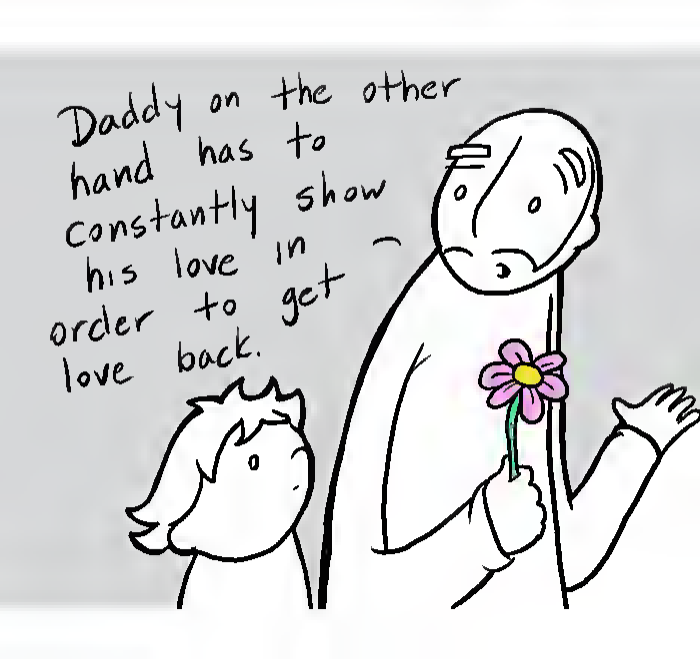
Can I give it to her?
What?! No!



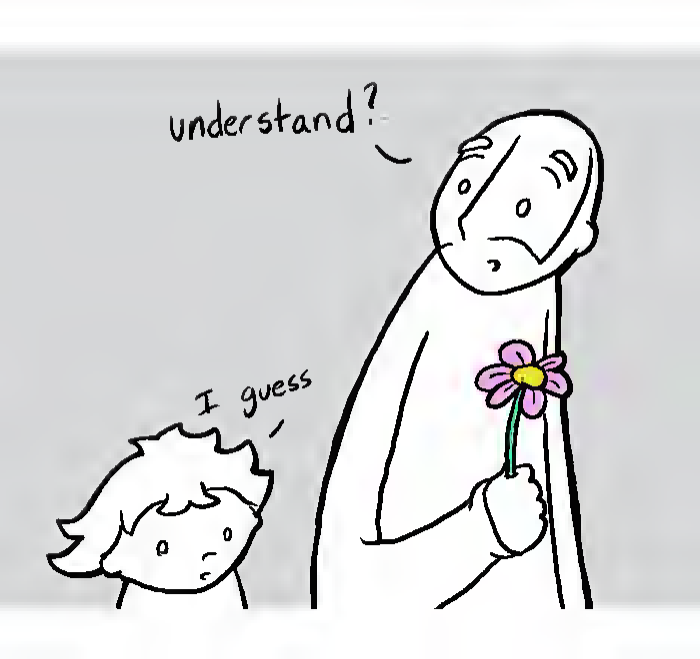
A parent's love is unconditional
?



You see
Mommy is
going to
love you
Whether you give
her this flower or
not,



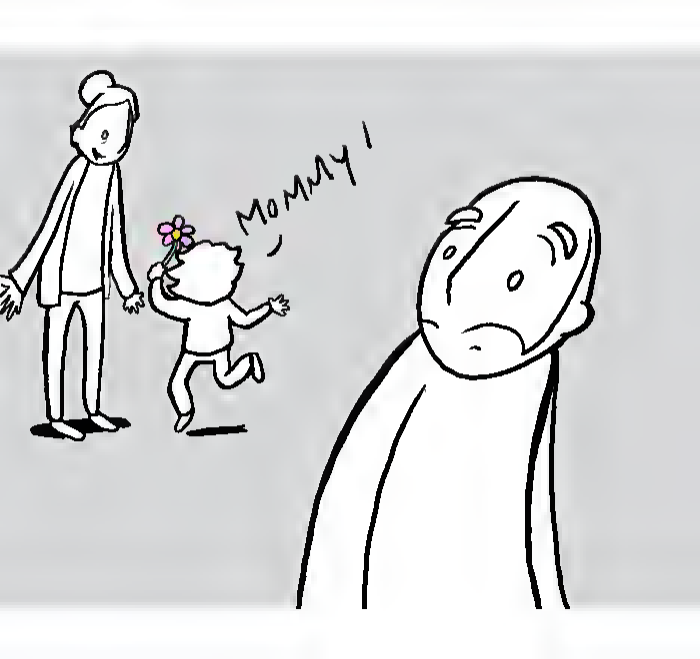
Daddy on the other hand has to constantly show his love in order to get love back.



understand?
I guess

"sigh"

Here.. take it



MOMMY!

You are just the sweetest!
